

2011 Saxon Hill School Summer Camps

Whether your child is a first time camper or a seasoned veteran, camps at Saxon Hill School provide the ideal experience for children looking to explore the wonders of nature. Designed for children ages 3 through 9, Saxon Hill School camps engage children with science, art, nature and music.

Conveniently located adjacent to the Old Mill Park in Jericho, the nearby river, meadows, and woods are teeming with life and provide endless opportunities for learning about our natural world.

Adventures Camp

Various Dates Ages 3-6 or 4-9

Ready to have fun? Campers will hike, play, create projects, read, and explore the surrounding areas and more in this truly magnificent setting.

Science Camp

July 5-8 Ages 6-9

Come be a scientist! Campers will explore and discover through hands-on inquiry, experimental learning, take home projects and local walking field trips.

Cracking the Codes: Exploring Riddles, Puzzles, and Mysteries of All Kinds

July 11-15 Ages 6-9

Calling all detectives! We will gather clues and examine evidence to solve daily mysteries. Kids will have practice with whodunits, secret codes, forensic techniques, brain teasers, and more. Put your detective hats on and join the fun!

Art & Nature Camp

July 18-22 Ages 4-9

Come sketch, paint, sculpt and explore your limitless artistic potential as we explore the natural world around us.

Lego Camp

July 25-29 Ages 4-9

Join us as we use our imaginations to design and create with an endless supply of Legos! Campers will also have plenty of time to explore all that Saxon Hill School has to offer.

From Garden to Table: Gardening and Cooking

August 1-5 Ages 4-9

Get ready to get your hands dirty - in the garden that is. Find out how to care for and harvest a vegetable garden, then learn what to do with all the delicious food we grow! Children will receive a copy of the recipes for all the meals we make.
