Parent Helper/Substitute Teacher References

To comply with State of Vermont licensing requirements we must ask all persons responsible for assisting in the classroom for three references from persons not related by blood or marriage. Any person who will participate in parent helping or substitute teaching responsibilities must be included on this form or must submit three individual personal references attesting to their suitability to work with your children. Thank You!

Person(s) requesting reference

Check below to be added to substitute list.

Yes No

Yes No

To my knowledge, the above has never been found to have abused, neglected, or been convicted of any offense involving violence or inappropriate behavior with children. I believe that the above is able to comply with all Saxon Hill School, Inc. policies and procedures regarding child well being.
