

SHS PARENT PERMISSION FORM FOR PHOTOS AND/OR VIDEOS

During the course of the year at SHS, students will be photographed and videotaped as a means of documentation. Occasionally SHS uses some of these photos and videos of a child or children for school-related purposes, such as school publicity, teacher training, or a slide show at an SHS event. Saxon Hill School also maintains a website which provides information for prospective as well as current families. Photos of children engaged in school activities are a great way of conveying the true nature of our school - its philosophy, environment, daily activities, art materials, etc. NO child's name will EVER be used on the web site. A picture or video clip of your child will only be used for the aforementioned purposes if you sign the written release below.
