Insurance Verification for Field Trip Drivers

The State of Vermont requires a specific minimum amount of liability insurance for persons transporting children --other than their own-- on school field trips. The liability requirements are $100,000 per person/$300,000 per occurrence. With this in mind, we ask any parent wishing to transport SHSI children, other than their own, on school field trips to complete the following:

Person providing private student transportation:

_____
Name

_____
Address

_____
City, State Zip

1. While transporting children on SHSI field trips, I am aware that my auto insurance carrier provides primary liability coverage.

   Yes No

2. I have the required amount of liability coverage ($100,000 per person/$300,000 per occurrence) neede to transport children other than my own on SHSI field trips.

   Yes No

3. I own or lease the vehicle, covered by the above mentioned insurance, which I will use to transport children.

   Yes No

4. My vehicle is equipped with seat belts which will be used with the appropriate child safety restraints.

   Yes No
